

Wanted Waterfowl Guides and Scouts

Hi to All,

Alberta Parkland Waterfowl Professionals is looking for 2 experienced waterfowl guides and 2 scouts for this September and October. You must be personal, hospitable and above all professional. Your job will be to guide or scout. We do not mix these two responsibilities.

Scouts do not need experience; we will train you. Scouts must be comfortable talking to farmers and making cold calls.

We use iHunter overlain with county maps and you must have a compatible smart phone or tablet.

A well trained retriever is nice to have but not a necessity. Prior dog handling experience would be a plus.

Hunting area is central Alberta about 1.5 hrs from Edmonton and 2 hrs from Calgary.

We provide accommodation, meals, gas, (on some hunts vehicle), salary and tips. We don't need your hunting equipment unless you choose to bring it.

We welcome diversity and inclusion and do not discriminate against race, ethnicity, gender, age, religion or sexual orientation. We have found this is a great opportunity for young people just entering the workforce and newly retired people who like to keep busy.

If you would like to apply or want more information please contact us on our web site at www.apwp.ca or call David at 403-589-0840.
